And so the hero travelled

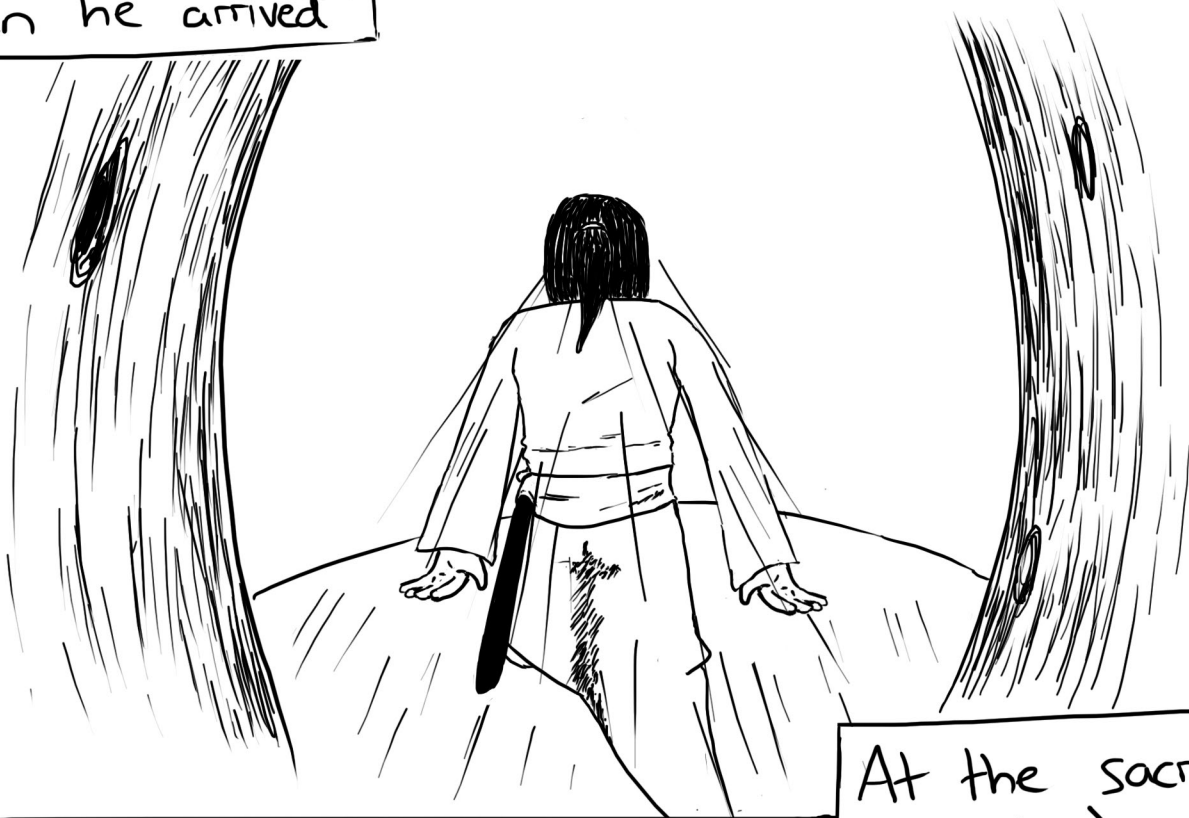

On foot...

Because drawing horses is hard

Then he arrived

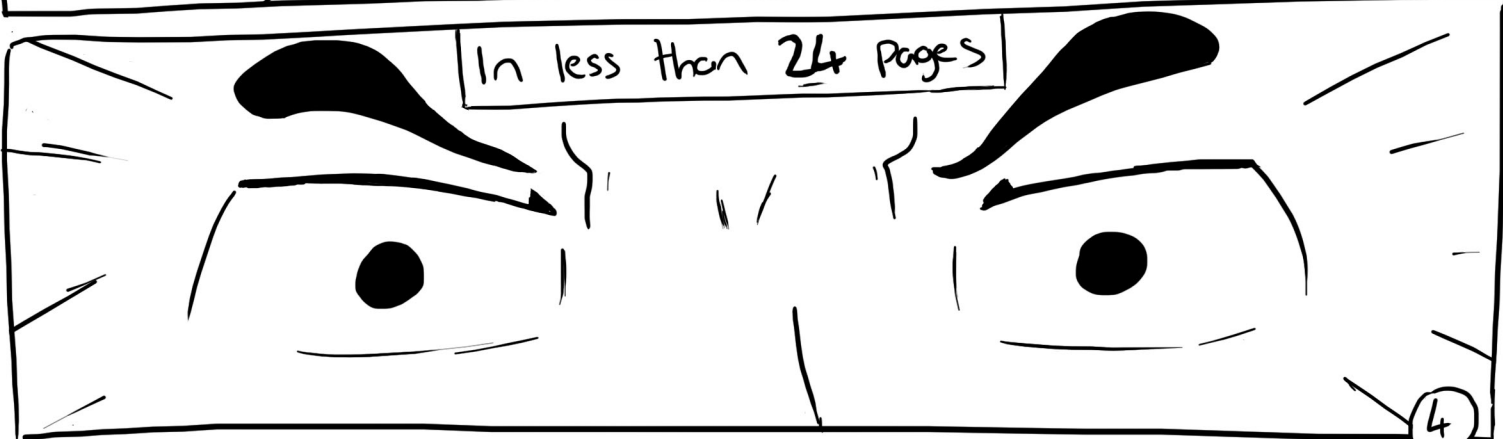

At the sacred
land...

To search
for a hero..

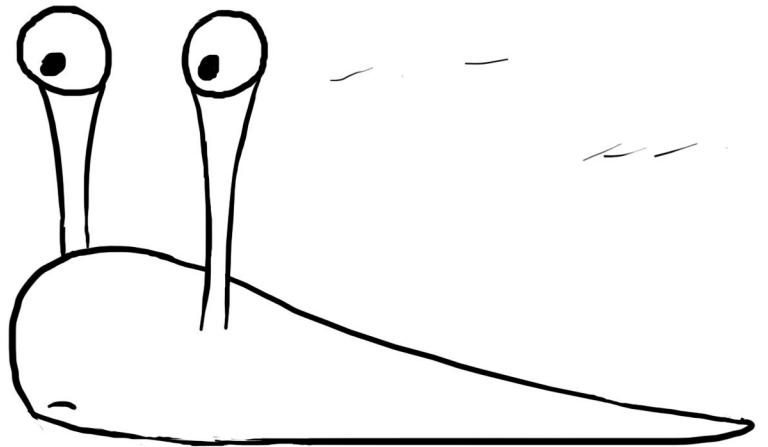

And save the
village

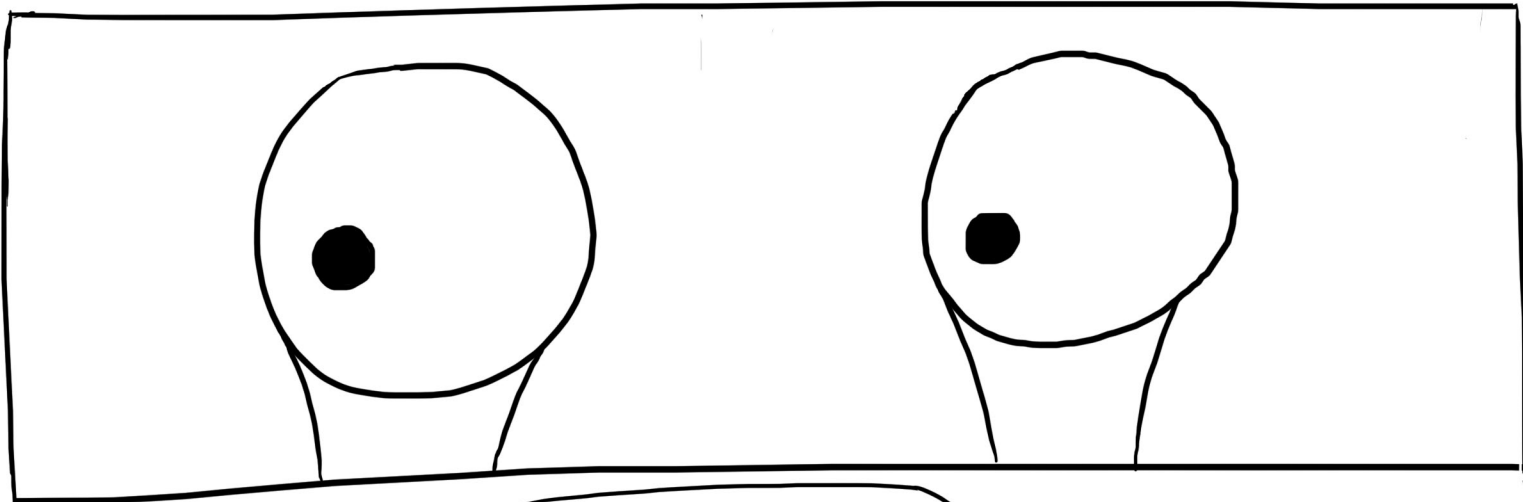

In less than 24 pages

So it's convenient that
the hero was totally
easy and drama-free
to find...

MR SLUG

Another travel scene later...

Was the hero
inside me the
whole time?

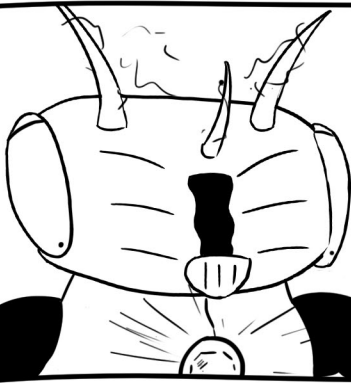

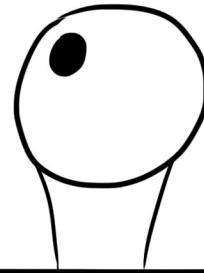

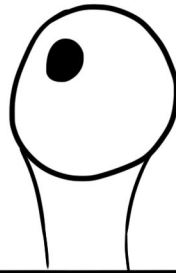

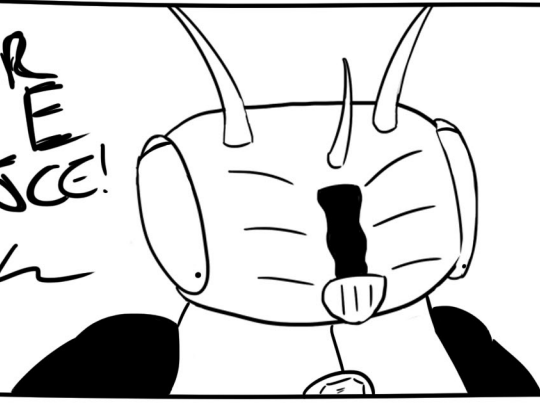

Evil Wizard...

And the hero went
to live on in legend
once more.
